## WWPN MARCH ASSOCIATION MEETING MINUTES

Tuesday, March 30th, 2021 @7pm via Zoom (16 attendees)

- Business Meeting
  - Secretary's Report - See February's Minutes
  - Treasurer's Report
    - \$20,344.48 - no transactions for the month
    - 37 Dues Paid Members
  - New Business
    - Word Cloud
      - Luke H. shared the Word Cloud Art he created with all the words gathered at our February meeting. He sent that artwork to Sticker Mule and bought 100 magnets and 20 stickers. (Thank you, Luke!!) Sticker Mule will keep our art on file in case we need to purchase more. We can use these magnets and stickers to welcome new neighbors to WWPN and to also re-engage with current neighbors. Per Tony B. WWPN used to pass out HHT magnets at the 3 Rivers Parade. We discussed giving magnets to dues paid members. (Luke to give to Terri to pass out.)
    - HB1164
      - Indiana Statehouse Bill on Utilities. This relaxes rules on where they can build cell phone towers. It removes City and County control. There are no height restrictions and no limit to how close they can be. PAPA and SWAP are leading the charge to protest the bill. Jim Sack (W. Rudisill Pres.) is going to Indy as a representative. SWAP has petitions on their FB page for people to sign/share. (Charlie to post info on our FB page.)
    - Neighborhood Calendar Review
      - \*See end of minutes for event list and possible guest speaker list\*
    - HIP/SIP Grant
      - Program is now live. The paper version was delivered inside the March newsletters. We also have a digital version available. (Charlie to post on website.)
  - Old Business
    - Neighborhood Grant

There is extra money in the pot this year. We have received no official word, but it is very like guaranteed the grant we submitted will be funded. More discussion is needed with the neighborhood, possibly at the June or July meeting. More legwork needs to be completed before trees are actually planted.

- Adjournment
  - The next scheduled meeting is Tuesday April 27<sup>th</sup>
    - 7pm via Zoom

Neighborhood Calendar Review Lists \*All events subject to COVID\*

April 24th: Neighborhood Cleanup (add a third date? Spring - dumpster Summer - truck Fall - truck. Neighborhood to purchase lawn and leaf bags again. **Charlie to follow up about a recycling dumpster/truck.**)
