## ASSOCIATION MEETING MINUTES

June 30th, 2020 (23 people in attendance)

- Business Meeting

Secretary's Report

Treasurer's Report - \$25,676.24 (43 Dues Paid Members)

New Business

- INN Grants - There were 63 grants submitted. Our votes need to be turned in by July 8th. WWPNA needs to vote for 6 grants plus 1 "pie in the sky" grant. Neighbors voted on sheets of paper and turned in. **Charlie will post on FB for other input and then tabulate our votes to bring to PAPA.**

Old Business

- Fence Policy - Discussion was held that we already have a fence policy outlined by the HPC therefore they need to be the ones to decide. Some neighbors feel it is a case by case basis. The general consensus is that no one really wants an extra fence policy. No motion was brought forward.

Announcements

- 'Yes' for FWCS - voters overwhelmingly said 'yes' to FWCS. Congratulations were sent Josh Summers' way.
- Historic '07 T-Shirts Fundraiser - Alex Krouse (Harrison Hill President) is heading this up. Proceeds will be split between the '07 neighborhood associations.
- Hyper Local Impact - Lyndsay Sheets talked about this Facebook post. There is a challenge to fundraise \$1,000,000 for local POC small business owners in the South East quadrant of Fort Wayne. They would like to have 100 people recruit 10 volunteers each to donate \$100. Lyndsay would like to see WWPNA raise \$1,000.

This is in partnership with the Community Foundation of Fort Wayne.

- Fireworks Ordinance Reminder - gave neighbors a handout with dates/times for fireworks. You can call the desk sergeant if still hearing fireworks after these dates/times.
  
- Adjournment
  - The next scheduled meeting is July 28th at 7pm. Location TBD.
